#### **6. Contract Scope**

This contract applies strictly to the mare named in Clause 4 and is non-transferable without prior written agreement.

#### **7. Breeding Terms**

The mare owner is entitled to a maximum of three (3) insemination attempts using frozen semen.

If the mare is not in foal after three inseminations, any further attempts will be charged in accordance with a new contr.

## **8. Semen Shipment**

Each frozen semen shipment will be sent individually per insemination attempt.

All shipping, transport, storage, veterinary, health certification, and associated costs are the sole responsibility of the mare owner.

No shipment will be made until all outstanding amounts relating to that shipment have been fully paid.

## **9. Ownership and Permitted Use of Semen**

All semen supplied remains the property of the stallion owner.

The semen is supplied strictly for use on the mare named in this contract and for artificial insemination (AI) only.

The following are strictly prohibited without prior written consent from the stallion owner:

Embryo Transfer (ET)

Intracytoplasmic Sperm Injection (ICSI)

Ovum Pick-Up (OPU)

Cloning or any form of genetic replication

Use on any mare other than the one named in this contract

The semen may not be:

sold, transferred, or gifted to any third party

stored for future use beyond the agreed breeding period

used after the expiry of this contract

Any unused straws remain the property of the stallion owner and must not be retained or reused without written permission.

## **10. Veterinary Requirements**

All inseminations must be carried out by a qualified veterinarian or approved breeding centre.

The mare owner is responsible for:

correct timing of insemination

proper semen handling and storage

all veterinary procedures and costs

## **11. Fertility and Guarantee**

All semen is supplied in good faith. However, no guarantee is given regarding:

conception

maintenance of pregnancy

birth of a live foal

## **12. Liability**

Neither the stallion owner nor (S.É.H) shall be held liable for:

failure of the mare to conceive

loss of pregnancy

veterinary costs

injury, illness, or death of the mare or foal

delays or issues arising from transport or third-party services

## **13. Payment Terms**

A reservation fee of €525 is payable to secure the booking.

A second payment of €525 is due if the mare is confirmed in foal at 28 days.

For each shipment, the following must be paid in full prior to dispatch:

semen dose

health certificates and documentation

shipping and transport costs

No semen will be released until all applicable costs for that shipment have been fully paid.

#### **14. Governing Law**

This contract is governed by French law.

Any disputes shall fall under the jurisdiction of the competent French courts.

#### **15. Acceptance of Terms**
