5. Stud Fee

Stud Fee: €800

Payment Terms:

- €200 payable at reservation
- €600 payable on 1 October if the mare is confirmed in foal

The breeding includes:

Three inseminations (6 straws per insemination).

6. If the Mare is Not in Foal

If the mare is not in foal on 1 October, no further payment is due.

A veterinary certificate confirming the mare is not in foal must be provided.

If no certificate is provided, the remaining balance will be invoiced.

This contract does not include a live foal guarantee.
Pregnancy confirmation refers to a veterinary diagnosis of pregnancy (fetus confirmed in utero).

7. Performance Mare Discount

A 10% discount is available for mares with proven sport performance or breeding results.
Examples include:

- Eventing mares competing at 3★ level or above
- Mares that have produced offspring competing at 3★ level or above

Please contact S.E.H Equine to confirm eligibility prior to booking.

8. Seasonal Promotion

For bookings confirmed during March and early April 2026, a 10% discount will be applied to the stud fee.

9. Shipping & Handling

Freight / handling fee: approximately €60

Shipping within France: approximately €150, including tank hire and return.

International shipping: price on request, depending on destination and veterinary certification requirements.

All shipping containers must be returned within 48 hours of receipt.

The mare owner must retain proof of return shipment.

Failure to return the container, or loss of the container during return shipment, may result in replacement costs being charged to the mare owner.

10. Use of Semen

The semen supplied under this contract may be used only for the mare named in this contract.

If the mare owner wishes to change the nominated mare, written permission must be requested from S.E.H Equine and confirmation must be received before the semen is used.

Semen may not be sold, transferred, divided, or given to a third party.

11. Ownership and Return of Straws

All semen supplied under this contract remains the property of the stallion owner and/or S.E.H Equine until used in accordance with this agreement.

Unused straws may not be retained by the mare owner without prior written permission from S.E.H Equine.

Unused straws must either:

- be returned to S.E.H Equine at the mare owner's expense, or
- be purchased for use in a future breeding, either for the following breeding season or for another nominated mare, subject to prior written approval from S.E.H Equine.

All used straws should be returned to S.E.H Equine.

Alternatively, S.E.H Equine will accept clear photographic evidence of the opened straws, held up to the light, showing that they have been used. These photographs may be sent via WhatsApp or email.

Failure to provide returned straws or acceptable photographic evidence may result in additional charges or refusal of further semen shipments.

12. Breeding Restrictions

The following procedures require prior written approval from S.E.H Equine or the stallion owner:

- ICSI
- Embryo Transfer (ET)
- Ovum Pick-Up (OPU)

A veterinary certificate may be required confirming the use of semen for the mare named in this contract

13. Liability

S.E.H Equine and the stallion owner accept no liability for:

- fertility issues
- transport delays
- veterinary procedures
- injury, illness, or loss of the mare

Frozen semen is used entirely at the mare owner's risk.
